

Arbor Ridge

Community Garage Sale
Saturday, September 8th
9am-2pm

Hello Neighbors!

Is your garage in need of serious help? Still hanging on to those old golf clubs? The bean bag chair from your college days? Time to get rid of some stuff? Please join us on Sept. 8th for the Arbor Ridge HOA community garage sale. Each participating household will be holding their own sale. We will be providing yard signs, a community garage sale map, advertising on Craigslist and in the Oregonian.

If you wish to participate in this event, please email Marci Brady at marcibrady@windermere.com by 8/25, so that we can include your home in the garage sale map.
